

# Wassim Tajeddin

Software Engineer | Java • AI • Fullstack

Malmö, Sweden

+46 73 684 29 61 | [wassim.tajeddin@gmail.com](mailto:wassim.tajeddin@gmail.com)

[GitHub](#) | [LinkedIn](#) | [Website](#)

## PROFILE

A junior software developer skilled in Java and Python, with experience in AI and machine learning. Passionate about new technologies and continuous learning.

## EDUCATION

### Java Developer

Sep 2022 - May 2024

### IT-högskolan, Gothenburg

- 500+ hours of hands-on Java coding and agile methodologies

### Python Programming for AI Development

Jan 2025 - Mar 2025

### IT-högskolan, Gothenburg

- Developed CNN model for digit recognition (98% accuracy)
- Utilized TensorFlow and hyperparameter optimization

### Cloud Development with AWS

Oct 2025 - Dec 2025

### IT-högskolan, Gothenburg

- Learning AWS services, cloud deployment, and serverless architecture

### Architecture and System Design

Nov 2025 - Present

### IT-högskolan, Gothenburg

- Studying scalable system architecture, design patterns, and best practices

### Physics

Sep 2011 - Jun 2015

### Aleppo University

- Advanced mathematics and analytical problem-solving

## PROJECTS

**Web Development:** Vue.js | Node.js | MongoDB | Docker | GitHub Actions | [Website](#) | [GitHub](#)

**Enterprise App:** Java | Spring Boot 3 | JUnit | JPA/Hibernate | MySQL | Docker | CI/CD | [GitHub](#)

**QuizHub:** Vue.js | Node.js | Agile team project (Scrum) | CI/CD pipeline | [GitHub](#)

**MNIST Digit Recognition:** CNN model (98% accuracy) | Python, TensorFlow/Keras | [GitHub](#)

WORK EXPERIENCE

Android Developer Nov 2023 - May 2024	<b>Junico AB (Internship)</b> <ul style="list-style-type: none"><li>• Developed app using Jetpack Compose + Kotlin</li><li>• Implemented Room Database for offline functionality</li><li>• Collaborated in Scrum team with daily standups</li></ul>
Courier, Service Center Associate & Team Leader 2018 Jun -2024 Dec	<b>PostNord AB</b> <ul style="list-style-type: none"><li>• Acting Leader</li><li>• Customer Service and Logistics</li></ul>
